Magistr

CIFE

Fakültə qeyd edilməyib / European Integration and Global Studies

By studying my second master's degree at CIFE on European Integration, I was able to enhance my knowledge about the European Union's general structure, how it is regulated, policies of the EU in different areas, as well as foreign and security policies. It was really interesting to examine thoroughly how the EU managed to unify countries, promote peace, security, democracy and provide welfare for people after world wars. As a part of the CIFE program I did a lot of research and for my master the

Magistr

ADA Universiteti

Fakültə qeyd edilməyib / Diplomacy and International Affairs

During my master's degree, I have learned different kinds of research methodologies such as qualitative (field researches, interviews, surveys), quantitative, mixture of them, critical and analytical article writing methodologies as well. As a requirement of ADA graduation, we (group of three students) did policy research called Capstone Project on Sustainable Development Goals related to children and youth in cooperation with the United Nations Children's Fund (UNICEF Azerbaijan) during one sem
