Əlavə informasiya

Commercial and finance leader with over 12 years in energy services and engineering across Azerbaijan and the UAE, covering the full contract life cycle from tendering and bid governance through delivery to closeout. Experienced in leading commercial and finance functions, managing CTRs, variation orders and contract amendments, and improving profit and cash. Currently CFO of a regional group; previously held commercial and finance roles at Oceaneering International on BP projects in the Caspian. MBA (Finance), PMP and FMVA certified, with strong negotiation, stakeholder-management and team-development skills. Committed to HSE culture and a regular user of AI tools to sharpen commercial analysis, reporting and productivity.
