### Əlavə informasiya

I am Javascript developer. I constantly follow innovations in the field of web development and try to keep myself in a professional tone. I am fast learner and usually learn new technologies, at my leisure time I try to improve my English skills. I would like to use my skills and improve them more in your company. It would be great opportunity for me to work in a friendly working environment. I position programming as one of my favorite enthusiasms. I consider myself as a responsible person, who is tend to improve himself and keep up with up-to-date technologies.
